

Dear Business Owner:

The City of El Mirage Special Events Department would like to invite your participation as a premier sponsor of upcoming City of El Mirage events. Sponsorship allows you the opportunity to directly connect your business with El Mirage and other West Valley communities, which raises the name recognition and awareness of your business among all the thousands of patrons who attend our signature events. Our 2018-19 event season will feature eight city wide events.

Our recently completed event season saw over 30,000 patrons attend our events with each event averaging in excess of 3000 patrons. We also averaged in excess of 40 vendors per event. El Mirage Special Events are highly visible and utilize our city's first class park and recreation venues such as Gentry Park and Gateway Park. Our special events are supported by the community and sponsors receive great interaction for their business with the patrons that enthusiastically attend. We organize and produce top level events that are well attended and are a vital part of the social and recreational life of El Mirage and its residents.

Many of the City's events feature charitable campaigns that encourage attendee support for worthwhile causes including Dysart Community Center, El Mirage Firefighter Charities, West Valley Neighborhood Coalition and many others. In addition, El Mirage events offer strong support for education, sports, and human services partnerships essential to new business attraction and population growth.

Attached for your consideration is the El Mirage Event Sponsorship Opportunities packet, which outlines the various sponsorship levels available to your business, as well as the list of events for the 2018/2019 season. We trust you will find a sponsorship opportunity that aligns with your marketing goals and allows the City of El Mirage to continue offering a wonderful mix of events throughout the year. We offer a sponsorship level for every budget.
